

Hello everyone,

We hope that this letter finds you all in the swing of the second semester. Please look at the assignments below for your name and also for the time of rehearsal or concert. As the day progresses, we have tried to make sure that everyone has a fair share of responsibility for the day. Directors taking roll need to give the roll sheets to the event monitors when they are finished and stay at least 30 minutes to make sure the students are settled. Any students that are tardy will need to check with the monitors. will collect the rolls when the students have been checked in. Please remember that if you have All State or alternates that they must be on time to *all* rehearsals and the concert in order to maintain eligibility. **Event monitors will need to stay with the event until the rehearsal time is over to make sure things go smoothly.** Inappropriate conduct by students will be dealt with in accordance with board policy. Thank you in advance for your participation and cooperation.
