

Hello All!

Our website is now ready for on-line registration. It was decided that the simplest way for everyone to receive a user name and password would be for everyone to login as a new member.

The process is as follows:

- ✓ Go to www.mtva.org (Recently, I have needed to include the “www” in order to get on the website. I don’t know if that’s peculiar to my situation, but if you’ve been unable to access the website you might try that.)
- ✓ Click “Forms and Applications”. You will be taken to the Login page.
- ✓ Click Please Register here next to “Not an MTVA Member?” You will be taken to the Registration page.
- ✓ Fill out the Registration page. (The “MENC Expiration Date” field would not accept data, so I skipped it, and it worked anyway.) You will be asked to create your own user name and password.
- ✓ You may go directly to an event form or login again later.
- ✓ Remember you will need to send payment for an event on or before the due date to avoid incurring a late fee. Dues and School Activity Fee must be sent with or before the payment for the first event in which you participate.

The website has two updates:

- ✓ Psalm 23 will be auditioned in **German only**, not English. Directors who attended the meeting last Tuesday night expressed concerns about auditioning in *either* German *or* English. They voted during the High School Caucus to allow only German to be used in the audition.
- ✓ We will be posting an updated Calendar. It will reflect that Freshman/Mid-State Auditions will be held at **St. Cecilia** *not* at Ezell-Harding.

I enjoyed seeing folks last Tuesday night. Thank you for a productive meeting!

See you September 9 at our next meeting!

Valerie DeHoff
MTVA President
