

September 2, 2008

Hello All!

Our next MTVA meeting will be Tuesday, September 9, 2008, at St. Cecilia. Among other items of interest, the business meeting will include a vote on an amendment to the MTVA Constitution*, updates on several events, and important Mid-State/All-State announcements. It should be brief. After the business meeting the high school directors will caucus for their pre-audition judging clinic, and the elementary and middle school directors will caucus for a clinic concerning preparation of the audition recording. You won't want to miss any of this information!

High School directors remember that Freshman/Mid-State Applications and fees are due September 9. The application must be submitted on-line by that date. Fees must be postmarked by September 9, or they may be brought to the meeting.

See you there!

Valerie DeHoff
MTVA President

*The Amendment will officially authorize what we've been doing by custom. It will read as follows: **The Executive Board, Executive Committee, standing committees, special committees, and subcommittees of the Executive Board are authorized to meet by electronic communication media so long as all members may participate.**
