AUDITION PROCEDURES

General Information:

- Auditions are recorded, and cassettes/CDs are brought with you to the auditions.
- ALL applications are now completed and submitted online. Please use the M.T.V.A. website for information for online applications.
- Fees should be mailed to David Spencer, MTVA Treasurer, 940 Caldwell Lane, Nashville, TN 37204. Checks must be either school checks or director's personal check. Checks from parents will not be accepted.
- Applications must be submitted by **September 25, 2008**, to avoid late fees.
- Fees must be postmarked by **September 25, 2008**, to avoid late fees.

Preparing the audition tapes:

- Place the school name, school code, the voice part, and number of students auditioning on the outside of each cassette/CD.
- Use one tape/CD per school.
- Have the student speak the number that corresponds to the printed list sent on the audition application form (be sure no personal names/schools, etc. are included on the recording – it should be totally anonymous). **IMPORTANT: Make sure the numbers on the audition tape correspond precisely to what is on the list.**
- The pitch used on the audition tape must be tuned to A(440).
- Do not electronically enhance the students' voice in any way,

Recording procedures:

- Students will sing the first verse of "My Country, 'tis of Thee" a cappella. There may be no other sounds on the tape than the starting pitch, "G," which should be played, not sung.
- TEMPO – sing the song no slower than m.m. 120.
- KEY – all students sing "My Country, 'tis of Thee" in the key of "G."

Example audition steps – your first student:

1. Press "record" on recording device.
2. Student says "Number One".
3. Give "G" (above middle C) pitch (piano, recorder, pitch pipe, etc.) – this should be clearly heard on the recording.
4. Student sings "My Country 'tis of Thee" a cappella.
5. Press "stop" on recording device. Now you are ready for student "Number Two."

Director's Notes:

- Auditions will be judged by the same standards as all-state.
- Cassettes/CDs must be of acceptable audio quality in order to be judged – please check your recording before you come!

- If you have students who you know will not be able to attend, or who are not of honor chorus caliber, please do not send their auditions*.
- **Directors are expected to “screen” their own auditions – if you have students who clearly will not be selected (major pitch problems, don’t know the audition piece, etc.), please do not send their auditions*.** This screening saves time at the actual audition.

Audition should be omitted from the recording brought to the adjudication. Example – if Student #5 clearly will not be selected, then your recording should go from Student #4 to Student #6 with no blank space on the tape - #5 should be left blank on the form (or clearly marked out). DO **NOT RE-NUMBER STUDENTS, AS THIS CAUSES PROBLEMS ON ADJUDICATION DAY!*

- **ADJUDICATION DAY DUTIES** – all directors submitting students to audition must bring their audition cassettes/CDs and be prepared to assist with the adjudication on Saturday, October 25th at Middle Tennessee Christian School in Murfreesboro. Assignments for the day and directions to Middle Tennessee Christian School will be made prior to auditions.

Helpful Hints:

- Use the best recording equipment you can find. Make sure the student can be clearly heard, as well as the pitches. It’s a good idea to play back your recording on a different piece of equipment to make sure it is clear and plays at the correct speed.
- If you have never used “Audacity”, it is well worth the effort to check it out. It is a free download from www.audacity.com. With this program you can record all of your student auditions individually, and then burn them onto a CD in the order needed. It also makes it easy to omit auditions that you don’t want to include.

Variations from the outlined procedures could result in disqualification. Should you have any question(s), please feel free to ask – we’re here to help you!
